About the Opportunity

Millennium Geomatics is currently seeking a full-time, or contract **Saskatchewan Land Surveyor**. We are willing to entertain candidates for the **Lloydminster or Calgary, Alberta** areas. We are also open for the candidate to work remotely from another centre.

This position reports to the President and is responsible for the management of individual projects. -Duties will vary depending if the successful candidate is on a contract or full-time basis. The successful candidate has an intimate knowledge of jurisdictional survey acts, regulations, oil & gas licensing requirements, and oil & gas operations beyond the scope of conventional surveying. Candidates with another Land Surveying designation in another jurisdiction is preferred.

Candidate must be equipped with strong technical, time management, and project organizational skills. Proficiency using MicroSurvey/MSCAD, Microsoft Office products (Outlook, Excel, Word), and online survey document resources (IRIS, ISC, Abadata, etc) are considered beneficial.

Strong interpersonal, team, verbal and written communication skills are crucial to this role.

About Millennium
